1.2. Visa exemptions for other categories mentioned in Article 4(1):

1.2.1. Civilian air crew members

Civilian air crew members are, in principle, exempted from the visa requirement by the Member States if they hold licences and certificates within the meaning of Annexes 1 to 9 to the Chicago Convention on International Civil Aviation.

However, the visa requirement is maintained:

- by France for crew members who are nationals of countries who are non-signatories of the Chicago Convention.
- by Croatia for nationals of a third country listed in Annex I to Regulation (EC) N°539/2011

Comment by Germany:

(1) Civilian flight personnel who are in possession of flight crew identity documents shall be exempted from the visa requirement for the purposes of:

1. staying only at the airport at which the aircraft stops over or ends its flight,
2. staying only in the area of a municipality situated in the vicinity of the airport or,
3. transferring to another airport.

(2) Civilian flight personnel who are not in possession of flight crew identity documents may be exempted from the visa requirement for the purposes of a stay as specified in sub-section 1, provided that they meet passport requirements. The competent bodies shall be the authorities charged with policing cross-border traffic. A laissez-passer shall be issued to confirm the exemption.

Comment by Croatia:

(1) Civilian air crew members, who are nationals of Russia, Ukraine and Turkey are exempted from the visa requirement, provided that they are in possession of flight crew identity documents;

(2) Civilian air crew members may be exempted from the visa requirement for the purpose of staying only in the area of a municipality situated in the vicinity of the airport provided that they meet passport requirements and are in possession of flight crew identity documents. A permission to stay shall be issued by authorities competent for border control to confirm the exemption. The permission is issued in the first airport of arrival of the aircraft and is valid for all notified airports in Croatia, for a period of maximum 90 days.

Civilian sea crew members may be exempted from the visa requirement by the Member States if they hold seafarer's identity documents issued in accordance with the International Labour Organisation Conventions (No 108 of 1958 and No 185 of 2003) or the IMO London Convention of 9 April 1965 (FAL) on the facilitation of international maritime traffic.

In practice:

- in the case of shore leave: the exemption is applied to crew members with the exception of Sweden, Germany and Croatia
- in the case of the performance of their duties: the visa requirement is maintained for crew members by all States with the exception of Norway, Iceland, Malta and Denmark.

Comment by Norway: Holders of a Philippine "Seafarer's Identification and Record Boyes" and/or a Philippine national passport are exempted from the visa requirement (see the shipping agreement of October 1999 between the Philippines and Norway). The holder must produce written confirmation from the shipowner or the shipowner's representative that the holder is to take up a post on a ship in a Norwegian port.

Comment by Germany:

(1) Civilian shipping personnel shall be exempted from the visa requirement for the purposes of entry into and stays in Germany with regard to:

1. pilots practising their occupation pursuant to Section 1 of the Sea Pilotage Act who are able to identify themselves by means of official papers detailing their identity and their capacity as a pilot,
